Instructions for Accessing IMPD Crime Reports and M.A.P.S. Mapping Tool

1. Type or copy and paste <http://maps.indy.gov/MapIndy/index.html> on your browser.
2. In the menu at the bottom select "Mapping Application for Public Safety (MAPS)" (you will need to have "Adobe Flash Player" installed in your device).

3. In the Menu Box:
 - Select Incident Type (Click Next)
 - Select Area of Interest (Click Next)
 - Select Date Range (Click Next)
4. Click on Submit Request

On the map you will see different markers at the location of each crime committed in the area you selected. There should also be a list of those incidents on a dropdown box. For additional details of any particular incident, just position the cursor on that incident and click.

To view a Tabular Report of those incidents, click on the box that has the green check mark.

To get a print out of the Tabular Report, click on the print box at the bottom of that page.

To get a print out of the map look for the printer icon on the top right corner of that top bar and click print.
